

## A wet-feet-friendly and durable flooring option

Protect-All® Flooring offers the slip resistance and functional comfort fun water zones require.

In addition, Protect-All Flooring is:

- Waterproof.
- Resistant to mildew and bacteria.
- Great for indoor and outdoor use.
- UV stable and won't fade.
- Resistant to chemicals, tanning lotions and harsh UV rays.
- Made from 100% recycled vinyl.
- Significantly quieter than concrete.
- Easy to clean with a deck brush and squeegee.

When combined with the fast installation and outstanding installed quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within aquatic facilities.

### Applications in aquatic facilities

Protect-All Flooring is great for:

- Pool decks
- Water slide areas
- Locker rooms
- Food court areas and bars
- Entryways
- Playrooms
- Lounge areas
