

Durable flooring for the most demanding areas

Protect-All® flooring and Protect-All Rapid Weld™ make an ideal flooring system for fast-paced environments such as commercial kitchens.

Protect-All Rapid Weld offers:

- Faster installation
- Less downtime
- Outstanding material quality

Combined with the benefits of Protect-All flooring:

- Resistant to stains, odors and fluids
- Easy to clean with a deck brush and squeegee
- Provides comfort underfoot
- Slip-resistant
- Durable

The finished product can be used in many areas found within a commercial kitchen including fry lines, food preparation areas, dish wash stations, walk-in coolers, storage rooms, wait stations, bars, service corridors and more.

Applications in food service areas

Protect-All flooring is great for:

- Food prep areas
- Kitchens
- Coolers
- Break rooms
- Dish washing stations
- Under rotisserie meat ovens, sushi bars or seafood stations
