MONTHLY APPLICATION FEATURE

## Durable flooring for the most demanding areas

Protect-All® Flooring and Protect-All Rapid Weld™ make an ideal flooring system for the fast-paced restaurant industry.

Protect-All Rapid Weld offers:

- Faster installation
- Less downtime
- Outstanding installed quality

Combined with the benefits of Protect-All Flooring:

- Withstands grease, animal fats, chemicals, fire, mildew and bacteria growth
- No sealers or grout to maintain and repair
- Provides comfort underfoot and slip resistance

The finished product is ideal for any area in a commercial kitchen including fry lines, food preparation areas, dish wash stations, walk-in coolers, storage rooms, wait stations, bars, service corridors and more.

### Applications in food service areas

Protect-All Flooring is great for:

- Food prep areas
- Kitchens
- Coolers
- Break rooms
- Dish washing stations
- Under rotisserie meat ovens, sushi bars or seafood stations
