

*Environmentally
Responsible...*

PROTECT-ALL® Commercial Flooring begins its life-cycle from 100% recycled content. In an effort to promote even further environmental responsibility Oscoda Plastics is proud to offer a "Take Back Program" for post-installation projects.

Clean* PROTECT-ALL remnants and overages can be packaged and shipped back to Oscoda Plastics Inc.**, where it will be reground and recycled for use in other products.

**Protecting your floor
Preserving our world**

OSCODA PLASTICS®, INC.

Call us at 800-544-9538 for further details!

*Must be free of adhesives, dirt, debris, concrete, and asphalt

**At own expense
