

The smart choice for your educational environment

From K-12 to higher education environments, Protect-All® Flooring is a smart choice for multi-purpose areas that carry the weight of active steps. When properly maintained, its durable construction can withstand rigorous use in areas where students of all ages learn, play, perform, and eat.

In addition, Protect-All Flooring offers:

- Slip-resistance
- Resistance to stains, odors and fluids
- Significant noise reduction over traditional concrete and hardwood floors
- Easy cleaning - can be maintained with a simple deck brush and squeegee
- Easy installation - can be installed over an existing surface, saving both time and money

When combined with the fast installation and outstanding quality of Protect-All Rapid Weld™, the finished product provides functional flooring options that will make the grade.
