

RESTROOMS

APPLICATION FEATURE

Slip-resistant, non-porous flooring for restrooms

Restrooms require watertight floors that resist mildew and bacteria while also being slip-resistant and easy to clean. Protect-All® Flooring is a high-quality choice for restrooms.

In addition, Protect-All Flooring offers:

- Slip-resistance even when wet.
- Puncture, cut and impact resistance.
- Unsurpassed comfort and durability.
- Optimal stain and odor protection.
- Resistance to chemicals, fire, fluids and bacteria.
- Easy cleaning with a deck brush and squeegee.
- Low installation cost and long-lasting performance.

When combined with the fast installation and outstanding installed quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within any project.

Other applications

Protect-All Flooring is great for:

- Shower rooms
- Corridors
- Kitchens
- Entryways/foyers
- Locker Rooms
- Multi-purpose rooms
