## **Oscoda Plastics®<sup>®</sup>, Inc. Adds New Distributor: Phoenix Floor & Wall Products**

*Oscoda, Michigan -- July 29, 2008 -- Oscoda Plastics, Inc., the manufacturer of PROTECT-ALL® Commercial Flooring has announced Phoenix Floor & Wall Products of Rexdale, Ontario, Canada, as a distributor of its PROTECT-ALL product line. According to John Rouse, Oscoda Plastics national sales manager, "We are delighted to have such a well-established company representing PROTECT-ALL. We frequently look for new distributors to carry our product line and I am confident Phoenix Floor will promote PROTECT-ALL effectively, while providing the excellent customer service that we expect from our distributors. With Phoenix's well-known presence in the flooring industry, it will help us better distribute and market our products to commercial flooring customers throughout Canada."*

*Phoenix Floor & Wall Products is a leading Canadian distributor of commercial and residential flooring products that has been in business for over 30 years. With sales offices in Ontario, Quebec, British Columbia, and Nova Scotia, Phoenix has consistently offered its customers quality products that are designed to meet their specific needs.*

*Manufactured in Oscoda, Michigan by Oscoda Plastics, Inc., PROTECT-ALL Commercial Flooring derives its durability and slip-resistance from the specialized thermal fusion process that blends remnant industrial strength vinyl together into one monolithic piece. Oscoda Plastics, Inc. is a fast-growing manufacturer specializing in the production of*

*environmentally-friendly building products that are used extensively in commercial kitchens, athletic facilities, veterinary offices and many other flooring applications. As the leading recycled vinyl flooring manufacturer, Oscoda Plastics annually recycles over six million pounds of vinyl waste into PROTECT-ALL, keeping it out of our nation's landfills.
