Oscoda Plastics® , Inc. Adds Three New Distributors: Daltonian, Ellis Flooring Sales, NRF Distributors

Oscoda, Michigan -- August 4, 2008 -- Oscoda Plastics® , Inc., the manufacturer of PROTECT-ALL® Commercial Flooring, has announced that Daltonian, Ellis Flooring Sales, and NRF Distributors are new distributors of its PROTECT-ALL product line.

Servicing Georgia and Nevada, Daltonian has been in business for over 20 years. Daltonian is a privately owned company that specializes in providing turn-key flooring services to the corporate hospitality industry.

With headquarters in Charlotte, North Carolina Ellis Flooring Sales services North and South Carolina, Virginia and Georgia with over 40 years of flooring experience. Ellis is a wholesale flooring distributor with six locations to accommodate their customers flooring needs.

NRF Distributors has been in the flooring business since 1969, is the 4th largest flooring distributor in the United States, and will distribute PROTECT-ALL throughout the Northeastern United States. With 75 company-owned tractor trailers delivery is provided twice a week to over 4,000 retail floor covering stores.

According to John Rouse, Oscoda Plastics National Sales Manager, "We are delighted to have each company join us. We frequently look for new distributors to carry our product line and I am confident each will promote PROTECT-ALL effectively, while providing the excellent

customer service that we expect from our distributors. With the addition of these distributors, our presence in the Northeastern and Southeastern states will become more prominent.”

*Manufactured in Oscoda, Michigan by Oscoda Plastics, Inc., PROTECT-ALL Commercial Flooring derives its durability and slip-resistance from the specialized thermal fusion process that blends remnant industrial strength vinyl together into one monolithic piece. Oscoda Plastics, Inc. is a fast-growing manufacturer specializing in the production of environmentally-friendly building products that are used extensively in commercial kitchens, athletic facilities, veterinary offices and many other flooring applications. As the leading recycled vinyl flooring manufacturer, Oscoda Plastics annually recycles over six million pounds of vinyl waste into PROTECT-ALL, keeping it out of our nation’s landfills.
