PROTECT-ALL® Commercial Flooring To Be Exhibited at Surfaces 2009

Oscoda, Michigan – December 23, 2008 -- Oscoda Plastics®, Inc., the manufacturer of PROTECT-ALL Commercial Flooring, will be exhibiting its commercial flooring line at Surfaces in Las Vegas, Nevada, February 3-5, 2009. Attendees can stop by Booth #G2444 to view the PROTECT-ALL flooring products that include sheets, interlocking tiles, and temporary floor coverings.

PROTECT-ALL Commercial Flooring is the leading environmentally-friendly 100% recycled vinyl flooring product manufactured in the United States from both pre- and post-consumer vinyl components. Recycling over six million pounds of vinyl waste annually, PROTECT-ALL is certified by the National Floor Safety Institute and is a member of the U.S. Green Build Council®.

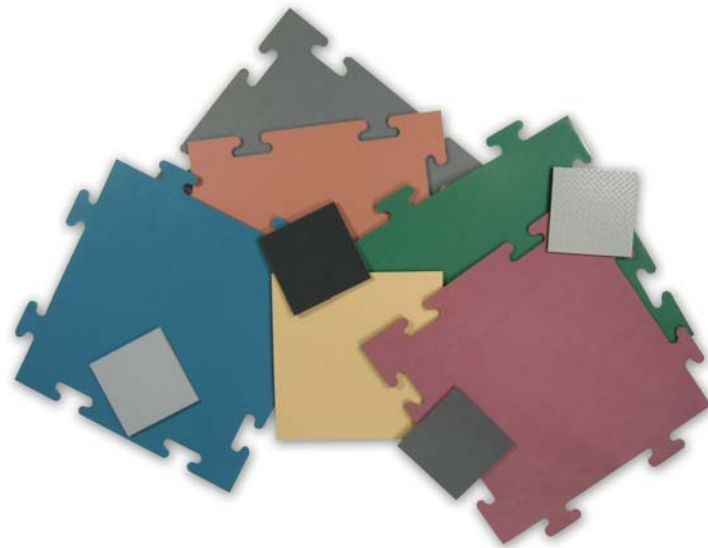

PROTECT-ALL is available in:

- Eight colors.
- Varying sheet sizes and thicknesses.
- Standard or textured top surfaces.
- Matte or gloss finishes.
- Interlocking and square tiles.

“There is a growing interest in flooring products made from recycled materials that can meet the demands of commercial and industrial applications,” said John Rouse, National Sales Manager at Oscoda Plastics. “We have been a ‘green’ company since the beginning. By exhibiting at Surfaces, building owners, architects, engineers, and facility managers will be able to get a better look at what we have to offer for their green flooring needs.”
