

# PROTECT-ALL® FLOOR CARE

You will need the following items:

- Mop Bucket
- Squeegee
- Cleaner (Simple Green®, Spic and Span®, or SureGrip® are approved cleaners)
- Deck Brush
- Spray Bottle

**STEP 1**  
Thoroughly sweep area of loose debris.

**PASO 1**  
Limpia completamente los residuos del área.

**STEP 2**  
Place caution sign in a visible area.

**PASO 2**  
Coloque un aviso de precaución en un lugar visible.

**STEP 3**  
Mix approved cleaning solution according to manufacturer's recommendations. Apply approved cleaning solution onto the floor and scrub floor with a deck brush.

**PASO 3**  
Mezcle la solución de limpieza aprobada según las recomendaciones del fabricante. Aplique la solución de limpieza aprobada sobre el piso frotándolo con un cepillo para fregar.

**STEP 4**  
Squeegee cleaning solution into the floor drain.

**PASO 4**  
Eliminar la solución de limpieza llevándola con una escobilla de goma hacia el drenaje del piso.

**STEP 5**  
Apply fresh water to the floor.

**PASO 5**  
Aplique agua limpia sobre el piso.

**STEP 6**  
Squeegee fresh water to the floor drain. If necessary, repeat entire cleaning process to remove stubborn stains.

**PASO 6**  
Eliminar el agua llevándola con una escobilla de goma hacia el drenaje del piso. De ser necesario, repita todo el proceso de limpieza para eliminar las manchas rebeldes.

 **Protect-All®**
