

Flooring that can perform in correctional facilities

Flooring in correctional facilities needs to be able to stand up to a lot of foot traffic and heavy loads. The Protect-All® Matte flooring is slip-resistant, durable and easy to maintain - making it an ideal option for many areas within correctional facilities.

In addition, Protect-All flooring offers:

- Puncture, cut and impact resistance.
- Comfort underfoot.
- Optimal stain and odor protection.
- Resistance to chemicals, fire, fluids and bacteria.
- Noise reduction over traditional concrete and hardwood floors.
- Low installation cost and long-lasting performance.

When combined with the fast installation and outstanding quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within any project.

Applications in correctional facilities

Protect-All flooring is great for:

- Kitchens
- Cells
- Shower rooms/restrooms
- Corridors
