

SENIOR LIVING

APPLICATION FEATURE

Safe, durable flooring for those who need it most

Safety is a high priority at senior living facilities, both for patients and care takers. Protect-All® Matte flooring meets the needs of these environments by providing an option that can offer comfort underfoot and reduce leg fatigue, absorb loud sounds and is slip-resistant.

In addition, Protect-All flooring is:

- Easy to maintain.
- Stain and odor resistant.
- Impact and puncture resistant.
- Resistant to chemicals, fire, fluids and bacteria.
- Made from over 90% recycled material.
- Long-lasting and has a low installation cost.
- Can be installed over an existing surface.

When combined with the fast installation and outstanding quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within any project.

Other Applications

Protect-All flooring is great for:

- Kitchens
- Dining rooms
- Recreation areas
- Corridors
- Entryways/foyers
