

FLOOR CARE FOR

6 EASY STEPS

Please watch and be familiar with the Protect-All Cleaning and Maintenance video using the below QR code or at www.protect-allflooring.com/maintenance prior to cleaning and following the steps below.

You Will Need

- Mop Bucket
- Squeegee
- Spray Bottle
- Deck Brush
- Cleaner (Simple Green®, Spic and Span®, Oasis™ 115 XP or SureGrip® are approved cleaners)

STEP 1

Thoroughly sweep area of loose debris.

PASO 1

Limpija completamente los residuos del área.

STEP 2

Place caution sign in a visible area.

PASO 2

Coloque un aviso de precaución en un lugar visible

STEP 3

Mix approved cleaning solution according to manufacturer's recommendations. Apply approved cleaning solution onto the floor and scrub floor with a deck brush.

PASO 3

Mezcle la solución de limpieza aprobada sigúen las recomendaciones del fabricante. Aplique la solución de limpieza aprobada sobre el piso frotándolo con un cepillo para fregar.

STEP 4

Squeegee cleaning solution into the floor drain.

PASO 4

Eliminar la solución de limpieza llevándola con una escobilla de goma hacia el drenaje del piso.

STEP 5

Apply fresh water to the floor.

PASO 5

Aplique agua limpia sobre el piso.

STEP 6

Squeegee fresh water to the floor drain. If necessary, repeat entire cleaning process to remove stubborn stains.

PASO 6

Eliminar el agua llevándola con una escobilla de goma hacia el drenaje del piso. De ser necesario, repita todo el proceso de limpieza para eliminar las manchas rebeldes.
