Protect-All® Flooring Announces Agreement with California Distribution Company

OSCODA, MICHIGAN — Protect-All Flooring is happy to announce a new agreement with Galleher Commercial, based in Los Angeles, California. Galleher Commercial will work closely with the Protect-All team to stock, promote and sell Protect-All products to factory-trained flooring installers throughout the West Coast region of the United States.

Galleher Commercial is a distribution company that has serviced the needs of the commercial flooring industry since 1937. This distributor is one of the top-5 flooring distributors in the United States and is committed to providing their commercial customers with the highest quality commercial flooring and installation products available.

Protect-All Flooring works with a variety of distribution companies throughout the country, providing sales and product support as well as product education. Factory-trained Protect-All installers work with authorized distribution companies in their region to plan and purchase Protect-All products and accessories needed for their projects.

“We’re excited to grow our product availability throughout the West Coast region,” said Protect-All Flooring National Sales Manager Jerry Lee. “The relationship with Galleher Commercial provides the perfect opportunity to connect more effectively with factory-trained installers in the region and increase our overall product footprint in the industry.”

To become a factory-trained Protect-All installer and to find a distribution company in your region, call 800-544-9538 or visit www.protect-allflooring.com.

About Protect-All Flooring

Manufactured by Oscoda Plastics®, Inc., and certified as a “High Traction” product by the National Floor Safety Institute, Protect-All Matte flooring derives its durability from the specialized thermal fusion process that blends remnant industrial-strength vinyl together into one monolithic piece. Oscoda Plastics has recycled over 40 million pounds of vinyl waste into Protect-All, keeping it out of our nation’s landfills. In 2014, Protect-All introduced Protect-All Rapid Weld™, a groundbreaking installation system that significantly reduces installation labor. For more information, please contact Protect-All Flooring at 800-544-9538 or visit www.protect-allflooring.com.
