THREE OPTIONS WITH VARYING CUSTOMIZATION

Protect-All Designer Series® is available in three options with varying levels of customization which bring a vibrant spectrum of colors and limitless fleck combinations.

## Option A

Choose between the four most popular Protect-All® colors which feature a special combination of three fleck colors. These options have a limited lead time with no order minimums. **Flooring Base and Fleck Colors are not able to be customized.**

Colors: Cityscape Ultra | Graphite Ultra | Northern Lights Ultra | Glacier Ultra

## Option B

Choose from 10 standard fleck mixes which can be added to any of the eight Classic Series Flooring Base colors. There is no order minimum when using Dark Gray, Light Gray or Black Flooring Base colors. Fleck saturation is 25%. Fleck colors are equal parts within each mix.

## Option C

Pick up to three fleck colors to put on any of Protect-All's eight Classic Series Flooring Base colors to create the perfect combination for any application. Option C requires a minimum square foot order. Fleck saturation is 25%. Fleck colors are equal parts within each mix.
