

# Protect-All Designer Series®

## Designer Meets Durability

Protect-All Designer Series® is manufactured with the same durable vinyl properties as traditional Protect-All® flooring, and was developed to bridge the gap between functionality and aesthetic appeal. Featuring a solid base color with varying accent colors throughout, this unique flooring can withstand high-traffic areas without showing wear while enhancing the design of any space.

In addition, Protect-All Designer Series is:

- Durable.
- Soft underfoot.
- Non-porous and non-absorbent.
- Made from over 90% recycled content.
- Resistant to fire, chemicals and stains.

### Applications for Protect-All Designer Series®

- Offices
- Hospitals
- Fitness Centers
- Waiting Rooms
- Education Centers

Accents of grays and black

### Northern Lights

Accents of grays, blue, and black

## Features & Benefits

**Comfort** – Protect-All provides comfort underfoot and reduces leg fatigue. Tripping hazards are reduced because the need for rubber fatigue mats is eliminated.

**Cleaning** – Protect-All stands up to routine cleaning and requires no waxing or stripping.

**Noise reduction** – With its 1/4-inch thickness, Protect-All will make your environment more comfortable by helping to absorb sound.

**Environmentally responsible** – Protect-All contains over 90 percent recycled vinyl, reducing landfill waste and environmental impacts.

**Non-porous/Stain resistant** – Protect-All is resistant to moisture and chemicals, and will not absorb stains or odors.
