

GLOSS FLOORING

Durable flooring with a glossy finish

Protect-All® Gloss flooring is the same slip-resistant vinyl flooring as traditional Protect-All flooring, with an additional layer of protection in a glossy finish. The UV-cured, factory-applied urethane wear layer is both scuff and scratch resistant, making Protect-All Gloss the flooring solution for a number of applications.

In addition, Protect-All Gloss flooring is:

- Durable.
- Soft underfoot.
- Non-porous and non-absorbent.
- Made from over 90% recycled content.
- Resistant to fire, chemicals and stains.

Protect-All Gloss is available in eight colors, varying sheet sizes and thicknesses, as well as interlocking and square tiles.

Applications for gloss flooring

Protect-All Gloss flooring is great for:

- Offices
- Data rooms
- Fitness centers
- Gymnasiums
- Hospital rooms
- Multi-purpose rooms
- Patient waiting rooms
- Retail storefronts
