

1. PROTECT-ALL® FLOORING

Thickness: 1/4"

Finish: Ripple

Durable vinyl flooring that eliminates the need to recoat applied systems.

2. STAIR NOSE

Visually Impaired Tread

Provides critical safety features by making step edges easier to identify.

3. INTEGRAL COVE

Creates a seamless, curved transition from each step.

4. PROTECT-ALL FLOORING

Thickness: 1/4"

Finish: Matte

Durable high traction vinyl flooring with no wear layers.

5. STAIR NOSE

Rounded Overlapping Nose

Eliminates sharp corners where feet naturally land, helping reduce the risk of tripping.

6. ADHESIVE

PA-295 Urethane Adhesive

Two-part adhesive that bonds the floor to the substrate.

7. PROTECT-ALL FLOORING

Thickness: 1/8"

Finish: Matte

Durable vinyl flooring with no wear layer.

8. STAIR NOSE

Zero Lip Nose

Delivers a minimalist and contemporary look.
