

Flooring that keeps pets safe and comfortable

Protect-All® Flooring creates a soothing atmosphere by absorbing loud sounds commonly found in animal care facilities - it is 60% quieter than concrete floors. And it looks great too!

In addition, Protect-All Flooring is:

- Easy to maintain.
- Stain and odor resistant, helping to preserve a clean, sanitary environment.
- Impact and puncture resistant.
- Waterproof and slip resistant.
- Comfortable and clean.

When combined with the fast installation and outstanding installed quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within animal care facilities.

Applications in animal care facilities

Protect-All Flooring is great for:

- Pet kennels
- Dog runs
- Pet day care facilities
- Grooming areas
- Entryways
- Exam, surgical and recovery rooms
- Pet playrooms
