

Functional and affordable athletic flooring

Protect-All® Flooring is a high-quality choice for durable athletic flooring.

In addition, Protect-All Flooring is:

- Durable
- Able to withstand extreme deadweight loads and high-traffic patterns
- Resistant to stains, odors and fluids
- Significantly quieter than concrete
- Easy to clean with deck brush and squeegee
- Can be installed over an existing surface – saving both time and money

When combined with the fast installation and outstanding installed quality of Protect-All Rapid Weld™, the finished product can be used in a wide variety of areas within athletic facilities.

Applications in athletic facilities

Protect-All Flooring is great for:

- Locker rooms
- Multi-purpose centers
- Gymnasiums
- Fitness centers
- Weight rooms
- Covering gym floors
