

### **New Protect-All Rapid Weld™ Mixing Nozzle**

Protect-All<sup>®</sup> has released a new mixing nozzle for the Protect-All Rapid Weld system. This new nozzle is designed to improve the dispensing of Rapid Weld for seams and corner welding.

#### **Features:**

- Enhanced design for more evenly mixed Protect-All Rapid Weld parts A & B
- A 10:1 mixing ratio
- Shorter nozzle
- Square design instead of round elliptical
- Less Rapid Weld waste

The new nozzle will be priced the same as the old model. New nozzles can be ordered now using item number 865030.

We encourage you to reach out to the Protect-All Technical Department at 800.544.9538 with any questions or to learn more about this product.
